Personal & Human Resource Development (HRD),

Dear Sir

I am an expert structural Design Engineer with 18 years of experience to offer you. I enclose my resume as a first step in exploring the possibilities of employment with your company. I have handsome **experience of Analysis, Design and Detailing of various industrial structures in major International Design Engineering Standards like ACI, BS & Euro.** I have vast experience of overall design of the building and coordination among various department as Lead. I am capable of leading a team of engineers & draftsmen in a well directed maner. In addition, **I developed some useful Excel program** to support the **STAAD Pro Analysis.** I am also well conversant with Open STAAD. Auto CAD, Revit & Teckla Structurs.

As Dy G.M I am responsible for teams of engineers & draftsmen for their performance, training & motivating for better quality output. I am also responsible for resource managements among various teams, look for the output matched for billing cycle.

I would appreciate your keeping this inquiry confidential. I hope that you will call me in a few days to arrange an interview at a convenient time for both of us. Thank you for your consideration.

Sincerely,

Niranjan Padmakar Vartak
